FOR IMMEDIATE RELEASE

CONTINUED BLASTING AT I-215 AND THE UNIVERSITY OF CALIFORNIA RIVERSIDE – BRIEF FULL CLOSURE

Riverside - The California Department of Transportation (Caltrans) will once again conduct blasting that is in direct relation to the ongoing 60/91/215 project. On Monday, June 5, 2006 the California Highway Patrol will conduct a full closure of the I-215 both northbound and southbound direction at approximately 2:30 p.m. which will last for approximately 15-20 minutes. It is anticipated to be the final blasting for this phase of the project.

Due to the length of the closure, no detours are suggested. However, motorists may want to avoid the area or allow for additional travel time.

Caltrans would like to thank motorists for their continued patience and support. Please remember, be alert while driving through a construction site and always make a point to ***SLOW FOR THE CONE ZONE.***
